

DEACON NOTES

■ Women's Golf travels to Japan for Topy Cup

Heading into the final round of the 13th annual Topy Cup held in Fukushima, Japan, the Demon Deacon women's golf team is enjoying a three-shot lead over the University of Florida in the event.

The Deacons, who were tied with Florida after the first round of the tournament, took the lead in Japan largely thanks to the play of junior Sonia Bauer, who notched a three-over-par 75 in second round action. Senior Kim Marshall and junior Laura Philo also came up big for the Deacons. Marshall shot a 76, while Philo played to a 78.

■ Childress honored as best athlete in ACC

Randolph Childress was voted the McKevlin Award winner by the Atlantic Coast Sportswriters Association. The award is voted annually to the player deemed the ACC's top male athlete.

Childress, who was not voted ACC Player of the Year in basketball, is the first Demon Deacon to win the award since Brian Piccolo in 1965. He is the first ACC athlete to win the award after not being named his sport's MVP since 1992 when Duke's Christian Laettner did.

■ Kuklick undergoes successful arm surgery

Sophomore quarterback Brian Kuklick underwent surgery Sunday to repair two broken bones in his right forearm. According to team orthopedic surgeon Dr. Walt Curl, the procedure went as anticipated, repairing the fractures suffered by Kuklick in the second quarter of Saturday's game against Tulane.

Kuklick will have his right (throwing) arm in a cast for six to eight weeks. The sophomore, who appeared as a pitcher in 11 games for the Deacon baseball team last year, is expected to be ready for spring football practice and the 1996 baseball season.

Having only played in two football games this year for the Demon Deacons, Kuklick will qualify for medical redshirt status and have three full seasons of eligibility remaining.

■ Duncan helps Team USA win gold in Japan

Junior center Tim Duncan was a member of the Team USA basketball squad in the World University games held Aug. 24-Sept. 2. The team won the gold medal after sweeping through the tournament with seven straight wins while winning each of their contests by at least 25 points.

In 17 minutes on the floor in the finals against Japan, Duncan was six-for-six from the floor for 13 points, and tallied six rebounds and five blocks. Team USA dominated Japan on the way to winning the title game 141-81.

■ Men's club lacrosse prepares for new season

With over 25 returning members from last year, the men's club lacrosse team is looking forward to adding new players to this year's roster in its quest for the league championship. In addition to regularly scheduled league games, highlights of the fall season will include showdowns with ACC-rivals North Carolina, Duke and N.C. State.

The team made preparations Tuesday to open the fall season with an organizational meeting to welcome new members and discuss plans for the year. Interested players who could not attend should meet the team for practice today at 5:30 p.m. on Poteat Field. For more information, please contact Wes at Ext. 6241 or Jonathan at Ext. 1727.
