On the Merrill Lynch Fast Track

For decades Merrill Lynch has been the leading U.S. brokerage firm. One in five affluent American investors name Merrill Lynch as their brokerage firm. Total assets under management now exceed \$500 billion globally.

We at Merrill Lynch have built our leadership position through a client-driven marketing strategy. We stay abreast of changes in world demographics and investor needs, then respond with new products and services well before the rest of the marketplace.

Now Merrill Lynch invites a small group of outstanding 1996 college and MBA graduates to share in that success by pursuing a unique career opportunity in its Private Client organization.

The Private Client Development

Program offers challenging positions in one of the Merrill Lynch Private Client business units (units key to maintaining our competitive edge – where your contribution to our success is significant).

Under the guidance of a senior manager, you work in product development, marketing or finance areas. You meet with senior management to discuss firm strategy and participate in task force projects to aid various business units in meeting their strategic objectives. Formal classes address career development issues and enhance your leadership skills. You are given responsibility, accountability, and the experience needed to help you succeed throughout your Merrill Lynch career.

Candidates for the program have outstanding records of academic, extracurricular and work experience achievement. They are interested in the challenge of the fast-paced financial services industry and want to be recognized for their accomplishments.

The Merrill Lynch Private Client group is offering an unequalled opportunity to excel. If you have the talent, creativity, energy and commitment to be a winner, this is an opportunity that can make a difference in your career.

The difference is Merrill Lynch.
