KLEZMER CONSERVATORY BAND

"The music of the Klezmer Conservatory Band mixes up Jewish ragtime, souped-up Mahler symphonies, and Dixieland in a dizzying musical cocktail. It's an irresistible mixture, even if you don't speak Yiddish. The Band's music has an infectious dance beat . . . it is richly expressive music with a special appeal of its own."

Our New Menu Has More Peppers Than Peter Piper.

Picky pepper people probably prefer PieWorks. Perhaps pedestrian pizza places perceive our plethora of peppers as peculiar, but plain peppers are passé. PieWorks patrons can personalize their pizza with a pile of peerless peppers. Particularly, we have pleasing chili peppers, sweet peppers, roasted peppers and peppy Jalapeño peppers. And, of course, our pickled peppers are impeccable.
