Burn Debris Disaster Free

Smokey is counting on you to follow the rules for safely burning debris.

1. Check local laws on burning.
2. Don't burn on dry windy days.
3. Clear a 30-foot circle around debris before lighting fire.
4. Keep shovel, rake and water nearby.
5. Don't leave fire unattended by an adult, even for a minute.
6. Consider alternatives to burning: composting, recycling, or hauling to a landfill.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES.

A Public Service of the USDA Forest Service and Your State Forester.

"YOU HAVE TO TALK IT OVER WITH YOUR FAMILY."

"My son, Daku, was driving a motorcycle when he was hit by a car and killed. In the hospital was the most difficult time of my life. But because we had discussed organ and tissue donation, it helped me, it helped my family, it helped everyone in making the decision to donate his organs and tissues. Every day I tell people, talk it over. Don't be afraid." For your free brochure about organ and tissue donation, call 1-800-355-SHARE.

Organ & Tissue DONATION
Share your life. Share your decision.
