DESTINATION: FINAL FOUR

The best center in college basketball. One forward who is a defensive stalwart, and another who shoots the three as well as anyone in the country. Three guards with flammable fingers, two of whom are nursing injuries.

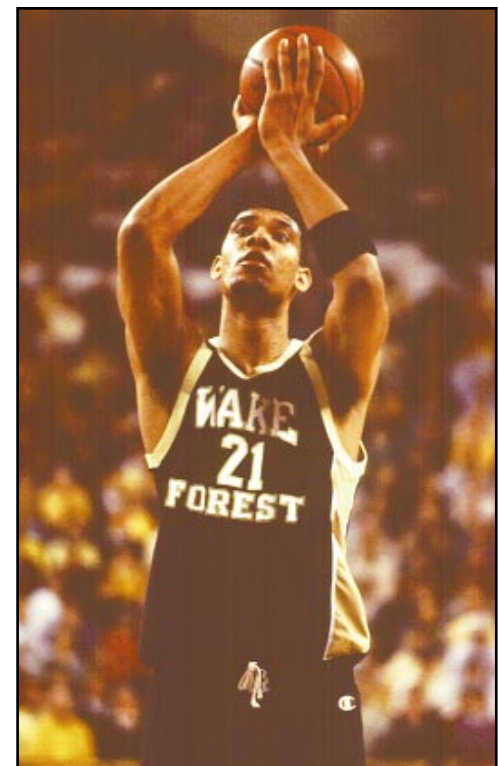

And a 7-1 freshman who was a McDonald's All-American last season.

Overwhelmed by this year's basketball prospects? Prepare to be more overwhelmed: the 1996-97 Demon Deacons are one of the most unique teams in the country, and arguably one of the best in school history. For the low-down on the entire ACC hoops scene, turn the page.
