

# STUDENT GOVERNMENT

## President

### Name: Mark Arinci

Candidate Statement: Candidates in this election speak of experience and what they intend to accomplish as President. In reality, these factors balance out equally, and what is left? The individual and dedication. This is where I stand out, not only because I'm 6'3, but because I am endorsing what students continually vocalize. Double-ply toilet paper in academic buildings, local golf discounts, competitive pricing for Aramark, deacon dollar use off-campus, and Basketball Ticket pickup reform.

that we can all embrace. Let's hold our Administration and Student Government accountable so that each student's voice can be heard."
