Name: Stephanie Ann French
 Office I am seeking: Representative
 Class: Freshmen
 Phone: 758-1673
 Campus Address: Collins C304
 P.O. Box: 9283

Experience: I participated in Executive Council for four years. Our Executive Council combined the responsibilities associated with a student council and those of a pep club. It's an organization comprised of 50 members that represent the diverse student body at my high school. For the first three years I was an active member - painting signs and decorating the school for football games, as well as contributing my time and energy during Red/White Week activities. Red/White Week preceded my high school's football game against our archrival and promoted school involvement and attendance at the game. At the end of my junior year I was voted by my peers as president of Executive Council. I oversaw the planning of school dances and homecomings. I also organized and implemented pep rallies and sponsored food drives. As President of Executive Council I attended all school functions.

Campaign Statement: I chose to run for office because I believe it's important to play an active role in decisions that directly affect the student body. I think that Student Government would benefit from my attributes. I am compassionate about involving myself in issues that I feel are critical. I would describe myself as tolerant because I'm open-minded and accepting of others. I am also very assiduous. In all my endeavors I put forth my best effort.
